Statement	Initial
I confirm that I have received and read the Participant Information Sheet for this study. I have had the opportunity to ask questions and understand what participation involves.	
I understand that my participation is voluntary and that I may withdraw at any time without providing a reason and without any negative consequences.	
I understand that the workshops will be recorded (audio and/or video) for analysis purposes, and that the recordings will be securely stored, analysed and destroyed at the end of the project.	
I understand that all personal data and workshop contributions will be treated as confidential and securely stored in accordance with GDPR and UK Data Protection Act 2018.	
I understand that anonymised data may be used in academic publications, reports, and research outputs, and that quotes will only be included with explicit consent.	
I consent to the development of a board game based on workshop contributions and understand that it will be made publicly available for non-commercial use only (e.g., education, research, team training, dissemination on partner websites, and academic publications).	
I agree that all contributors to the project may share the final game under the same non-profit conditions, with credit given to contributors.	
I understand that my identity will remain confidential unless I have agreed otherwise (e.g., in acknowledgements or photo credits).	
I agree to take part in this study.
